Adopt-a-Class

No Tricks, let's Treat our Teachers! It's Adopt-a-Class time. Each year PTO adds seed money to the teachers' funds. This year, we will put \$50 into the account of each instructor on campus. That's approximately \$2400 from our reserves. If your family is able, please contribute to the account of your classroom and special areas teachers. We will also appreciate contributions to the PTO general fund. This money goes to: monthly treat cart (a favorite among the staff), supplemental cleaning supplies, Thanksgiving gift cards, and others. This year, we commit to keep you informed of all the "little things" that PTO is funding on campus as we are trying to avoid fundraisers for the most part and just make direct appeals. Visit our website for more information.

Book Character Parade 10/29

We have our annual BOOK CHARACTER PARADE scheduled for Thursday, October 29th. We are excited to announce that we will still host our parade this year, with some modifications for safe protocols. Costumes must be school-appropriate (no gore, weapons, or fully-covered-face masks) and be related to a book character – children and young adult books preferred. There will be broadcast in Google Meet so that students attending school virtually may participate and parents may see all the wonderful costumes. *Students will need to wear their CDC approved face-masks with their costumes, so please keep this in mind as you think about what your child will wear.*

Spirit Shirts, Polos, and Used Uniforms

For students attending in person school, polo shirts are required each day and Spirit Shirts are allowed on Fridays. If you would like a South Olive logo polo (not required for uniform) or a Spirit tee for Fridays, see the attached order form. We are only selling what we currently have in inventory, so some sizes and colors may be unavailable. We will put together the order for you and let you know when it's ready for payment and delivery. At this time, to avoid passing cash and checks, we will only be taking PayPal through our website. Used uniforms are also available. We had many families participate in the sidewalk sale last month and have been giving them out as needed during school. If your family is in need of uniforms, please contact Ms. Sanabria 202-0212 or daneen.sanabria@palmbeachschools.org
